hone said

the only land I am

is that between my toes

but anne read

that hone said

the only land I have

is that between my toes

then michele said

selwyn said

hone had said

which is why

chris had written

it's the difference between

being

and owning

surging

and standing

living

and landing

she said

she'd read

he said

have

not am

I keep

the am
anyway

then ken said
ron mason said
it first
